

## **Public Notice of an Air Pollution Permit Application Review**

### **Facility Description.**

Unimin Corporation - Tunnel City Plant, South of Highway 21 between County M and the Rail Line, Greenfield, Monroe County, Wisconsin, FID 642078580, submitted to the Department of Natural Resources (DNR) a permit application, including plans and specifications for construction and operation of an industrial sand mine and sand processing plant.

Air Pollution Control Construction Permit No. 14-JGB-145, and  
Air Pollution Control Operation Permit No. 642078580-F02, a synthetic minor permit.

### **Application Review.**

DNR has made a preliminary determination that the application meets state and federal air pollution control requirements and that the permit should be approved. You can review the permit application, the DNR's analysis and draft permit prepared by the DNR at the Department of Natural Resources Bureau of Air Management Headquarters, Seventh Floor, 101 South Webster Street, Madison, Wisconsin, 53703; West Central Region Air Program, LaCrosse Area Office, 3550 Mormon Coulee Road, Room 104, LaCrosse, WI 54601, tel. (608) 785-9975; and at the Tomah Public Library, 716 Superior Avenue, Tomah, WI 54660-4660; or contact Joe Brehm at (608) 267-7541 or by e-mail at [joseph.brehm@wisconsin.gov](mailto:joseph.brehm@wisconsin.gov). This information is also available for downloading from the Internet at <http://dnr.wi.gov/air/permits/permitsearch.html>.

This type of proposal normally does not have the potential to cause significant adverse environmental effects and the DNR has not prepared an Environmental Assessment of the proposal. This preliminary determination does not constitute approval from the Air Management Program or any other DNR sections which may also require a review of the project.

### **Public Comments.**

Interested persons wishing to comment on the application or DNR's review of should do so within 30 days of publication of this notice and send comments to: Wisconsin Department of Natural Resources, Bureau of Air Management, PO Box 7921, Madison, Wisconsin, 53707, Attention Joe Brehm.

DNR has received a request from Unimin Corporation - Tunnel City Plant for a public hearing. DNR has determined that there is significant public interest in holding a hearing under ss. 285.61(7) and 285.62(5), Wis. Stats.

NOTICE IS FURTHER GIVEN pursuant to chs. NR 2 and NR 150, Wis. Adm. Code; and ss. 285.13(1) and 285.61(7), Wis. Stats., the DNR will hold a public hearing to receive public comments on the draft permit. The public hearing will be held:

Friday, October 17, 2014 at 1:00-3:00 pm  
Tomah City Hall, Council Chambers (located on second floor)  
819 Superior Avenue  
Tomah, Wisconsin

All comments received by the DNR at the public hearing and all written comments received by mail and by e-mail during the public comment period will be considered prior to making a final decision regarding the proposed project. After the public hearing and the public comment period, a final decision will be made on whether to issue or deny the air pollution control construction permit. If you would like a copy of the final

determination, contact Joe Brehm of the Wisconsin Department of Natural Resources, Bureau of Air Management, PO Box 7921, Madison, Wisconsin 53707, or by e-mail at [joseph.brehm@wisconsin.gov](mailto:joseph.brehm@wisconsin.gov)

Information on the public commenting and hearing process is available at <http://dnr.wi.gov/air/citguide.htm>

Reasonable accommodation, including the provision of informational material in an alternative format, will be provided for qualified individuals with disabilities upon request.
